

THE
EXISTENCE
OF GOD

LESSON 3: Is God Unfair?

ANCHOR STATEMENT: God is just and fair, even when I don't see it in the moment.

MAIN PASSAGE: Hebrews 4:14-16

14 Therefore, since we have a great high priest who has passed through the heavens—Jesus the Son of God—let us hold fast to our confession. 15 For we do not have a high priest who is unable to sympathize with our weaknesses, but one who has been tempted in every way as we are, yet without sin. 16 Therefore, let us approach the throne of grace with boldness, so that we may receive mercy and find grace to help us in time of need.

WHAT WE WANT STUDENTS TO KNOW: Human understanding of fairness is limited to our experiences. Understanding that God is just begins with identifying the ways He works in our lives and in the world for His purposes.

WHAT WE WANT STUDENTS TO DO WITH WHAT THEY'VE LEARNED:

Redefine the age-old question of God's fairness. By understanding that God works on a different timeline and with larger goals in mind, students can reframe their understanding of what is fair and what is God.
